### **Public Transports:**

We recommend to travel by public transport. Berlin has an extensive network system of underground lines (U-Bahn), urban railway lines (S-Bahn), buses and tramways (Tram), allowing you to reach every location and sight in town in a safe and convenient way. A single tickets costs €2.10, a daily €6.10 for up to Berlins boundaries (Zone AB). All tickets must be validated before the trip and shown in Buses to the driver!

### **Airport:**

Tegel Airport and Schönefeld Airport are approachable by public transport in approximately 45 and 60 minutes, respectively. Travellers from Tegel Airport please take bus TXL from the main airport building. The bus stops directly at the main building of Humboldt-University (station "Staatsoper"). Travellers from Schönefeld Airport, please go by bus 163 or 171 (stops directly at the main airport building) until railway station Berlin-Schönefeld Airport and then take the urban railway line (S-Bahn) S9 to station Friedrichstraße. Please note that for travelling from/to Schönefeld Airport you require Zone ABC.
